

***InComm Europe Named Best Prepaid Product Distributor
Vanilla MasterCard® Prepaid Gift Card, Developed in Conjunction with PrePay
Solutions, also Named the Best Prepaid Gift Programme at the 2010 Prepaid Awards***

ATLANTA, October 20, 2010 — InComm, the leader in sales and marketing of prepaid products and innovator of transaction processing, won two coveted awards at the second annual Prepaid Awards in London: Best Prepaid Product Distributor; and Best Prepaid Gift Programme, for partnering with PrePay Solutions to develop the Vanilla MasterCard® Prepaid Gift Card.

The Prepaid Awards was created to celebrate innovation and best practice within the prepaid industry, and InComm's win in both categories validates InComm's position as the leading provider and distributor of gift cards in the UK and Europe. Winners were determined by a judging panel of independent experts with experience and insight into different aspects of the industry.

"I am delighted that our partners and peers in the prepaid industry have selected InComm Europe as the Best Prepaid Product Distributor," said Phil Evason, Managing Director of InComm Europe Ltd. "We are proud that our commitment continues to bring such great success to our merchant and product partners."

Since launching the first UK Gift Card Display in October 2006, InComm Europe Ltd. has expanded its product offerings to thousands of retail locations in eight European countries. InComm now offers Europe's largest distribution footprint and most extensive product portfolio.

"Innovation has always been a cornerstone of our success", said Frank Monaco, Vice President, and Managing Director International at InComm. "The innovative packaging and positioning of the Vanilla MasterCard® Prepaid Gift Card we developed with PrePay Solutions is just another manifestation of how we help shape consumer expectations and the industry."

InComm Europe and PrePay Solutions launched the Vanilla MasterCard® Prepaid Gift Card in October 2009. Both companies jointly identified an opportunity to fill a void in the UK marketplace by offering an attractive and appealing Open Loop prepaid card that can serve as a gifting product, as opposed to exclusively self-use. Within 16 weeks from concept inception, the cards launched in Sainsbury's stores across the UK. The programme was the biggest MasterCard® launch in the UK, and includes a range of cards covering all occasions.
